CHARLEE BEAR PRODUCTS RECALLS “PROTEIN CRUNCH BARS” BECAUSE OF POSSIBLE SALMONELLA HEALTH RISK

ST. FRANCIS – Wis. – Charlee Bear Products announced today that it is voluntarily recalling certain lots of its **Protein Crunch Bar** products because they have the potential to be contaminated with Salmonella.

The following products are being recalled:

- **Charlee Bear Protein Crunch Bars – *Chicken Recipe with Carrots***
5.5 oz packages; UPC Code: 8710890000
Lot number 19812; Best by date: 07-16-2015
Lot number 19912; Best by date: 07-17-2015
Lot number 20012; Best by date: 07-18-2015
Lot number 20212; Best by date: 07-20-2015
- **Charlee Bear Protein Crunch Bars – *Chicken Recipe with Sweet Potatoes***
5.5 oz packages; UPC Code: 8710890001
Lot number 20112; Best by date: 07-19-2015

There have been no reported animal or human illnesses related to these products.

The potential for contamination was noted after a finished product sample of Protein Crunch Bars – Chicken Recipe with Carrots (Lot no. 19812) tested positive for the presence of Salmonella. Charlee Bear is recalling that lot number and, out of an abundance of caution, the additional lot numbers identified above, all of which are manufactured by a contract manufacturer that is not otherwise involved in the production of any other products in the Charlee Bear line.

Please note that this recall applies only to these lots of Charlee Bear **Protein Crunch Bars**.

The recalled Charlee Bear **Protein Crunch Bars** were distributed nationally in September and October 2012.

Charlee Bear recall/ADD ONE

Pets with *Salmonella* infections may have decreased appetite, fever and abdominal pain. If left untreated, pets may be lethargic and have diarrhea or bloody diarrhea, fever and vomiting. Infected but otherwise healthy pets can be carriers and infect other animals or humans. If your pet has consumed the recalled product and has these symptoms, please contact your veterinarian.

Individuals handling contaminated product can become infected with *Salmonella*, especially if they have not thoroughly washed their hands after having contact with surfaces exposed to this product. Healthy people who believe they may have been exposed to *Salmonella* should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. According to the Centers for Disease Control, people who are more likely to be affected by *Salmonella* include infants, children younger than 5 years old, organ transplant patients, people with HIV/AIDS and people receiving treatment for cancer.

No illnesses have been reported to date in animals or humans in connection to these products.

Consumers who have purchased these specific recalled lots of Charlee Bear Protein Crunch Bars are urged to return them to the place of purchase for a full refund. Consumers with questions should visit www.charleebear.com, email info@charleebear.com or call 1-800-396-8893.

At Charlee Bear, providing safe, wholesome, nutritious all-natural products is our top priority. We apologize for any inconvenience this voluntary recall may have caused and are working diligently to address the situation.
